

How will I find my way around the school ? STAGE 1

Frequently Asked Questions

Shoeburyness High School is a large school. However, it is not something to worry about as there is always someone to ask if you are unsure and we have maps to help.

To also help you find your way around, each faculty* has its own colour. This will be used for their signs, door signs and displays. We will provide more information where each subject* is in the school, but for now just become familiar with the different faculties we have and their colour.

* Faculty refers to a group of subjects. Subject refers to the area of learning of a faculty, dealing with a specific area of the curriculum. So for example 'Humanities' is a faculty and the subjects are 'History', 'Geography' and 'Religious Education'.
